2022

CARROLLWOOD VILLAGE PARK

Tampa - FL 33624

SUNDAY, SEPTEMBER 11th, 2022

FROM 5 PM - 8 PM

Vietnamese American Community SCL, VACA, and Golden Crane Khi Cong Corp, and several Vietnamese American Organizations in Tampa Bay & Orlando, and Churches and Temples cordially invite you and your family to join us remembering and praying for the victims of 9/11 also celebrating the Harvest Moon Children Festival. The annual traditional celebration marks an end of a successful harvest season and re-emphasizes other important facets of living such as children, families, and community. Especially this year, we wish to share our heartfelt prayers together for all the victims and their families. Importantly, we will strengthen our diverse communities, our family's bond, and unite for our children's future.

The program includes Live Music and dance to celebrate Vietnamese folktales about the moon and children, lion dance, workshop, games, free lanterns for children, awarding certificates of merit to outstanding Vietnamese American students, and **TALENT SHOW of the students in ELEMENTARY schools.**

On behalf of our organizing committee, we are very grateful of the support of Hillsborough County BOCC, HC Parks & Recreation Centers, Carrollwood Village Park, Carrollwood Park Conservancy, City of Tampa, AAPI McDill Air Force Base, Vietnam Veterans Chapter 787 and 522, AAPI Bay Pines VA Hospital, Junior ROTC, Gaither High School, HC School Board, HC Diversity Advisory Council, HCLP, and Falun Dafa.
